Purpose of the survey

The manufacturing industry large sample survey is conducted periodically. The survey collects data on the nature (activities) and structure of the manufacturing industry. The collected information is used by government for policy formulation and decision-making, and to monitor performance of the industry. These statistics can also be used in analysis of comparative business and investment decisions.

The results will be published in a statistical report (Report No. 30-02-03 and Report No. 30-02-04) by the end of September 2023. These results will also be made available on our website: www.statssa.gov.za. Previous reports can also be viewed on this website.

Collection authority

The information required is collected under section 16 of the Statistics Act, 1999 (Act No. 6 of 1999). Your cooperation is sought in completing and returning this questionnaire by the due date. **According to the Act, the provision of the information sought is compulsory.**

Confidentiality

Also, according to section 17 of the Statistics Act, 1999 (Act No. 6 of 1999), your completed questionnaire will be treated as strictly confidential by Statistics South Africa (Stats SA). Results are presented in an aggregated form only.

Reference period

This questionnaire must be completed for your financial year **ending on any date between 01 July 2020 and 30 June 2021.**

Due date

Please complete this questionnaire and return it by email, fax or business reply service envelope to Stats SA by2022.
