REPUBLIC OF SOUTH AFRICA

Purpose of the survey

This large sample survey collects data on the nature (activities) and structure of the agricultural industry (farming, forestry and marine fisheries). The collected information is used by the country for policy formulation, decision-making and to monitor the performance of the industry. These statistics can also be used by farmers/operators in analyses of comparative business and investment decisions. These results will also be made available on our website: www.statssa.gov.za.

Collection unit

The information will be obtained from farms/operations engaged in the following activities:

- The cultivation, in the open air or under cover, of field crops, fruit, grapes, nuts, seeds, bulbs, vegetables, plants or flowers and the operation of a tea, coffee, sugar, forestry, wood or other plantation.
- The breeding of livestock, poultry, game or other animals, including fish (freshwater and marine), furred animals, and trade in livestock and the production of milk, wool, fur, eggs or honey.
- Processing of farm/forest/fisheries produce within the farm/forestry/fisheries operation.

Collection authority

The information required is collected under section 16 of the Statistics Act, 1999 (Act No. 6 of 1999). **According to the Act, the provision of the information sought is compulsory.** Your cooperation is sought in completing and returning this questionnaire by the due date.

Confidentiality

According to section 17 of the Statistics Act, 1999 (Act No. 6 of 1999), your completed questionnaire will be treated as strictly confidential by Statistics South Africa (Stats SA). Results are presented in aggregated form only.

Protection of Personal Information Act

We confirm that the Statistics Act is consistent with the conditions stipulated in the Protection of Personal Information Act (POPIA), 2013 Act (No. 4 of 2013).

Reference period

This questionnaire must be completed for the financial year **ending on any date between 01 July 2022 and 30 June 2023.**

Value-added tax and discount

All figures should **exclude value-added tax (VAT), discount allowed and discount received.**
