# Statistics of civil cases for debt

June 1999

Co-operation between Statistics South Africa, the citizens of the country, the private sector and government institutions is essential for a successful statistical system. Without continued co-operation and goodwill, the timely release of relevant and reliable official statistics will not be possible.

**Embargo: 09:30**  
**Date: 26 August 1999**

Stats SA publishes approximately three hundred different releases each year. It is not economically viable to produce them in more than one of South Africa's eleven official languages. Since the releases are used extensively, not only locally, but also by international economic and social-scientific communities, Stats SA releases are published in English only.

**CIVIL DEBT CASES CONTINUE TO INCREASE**

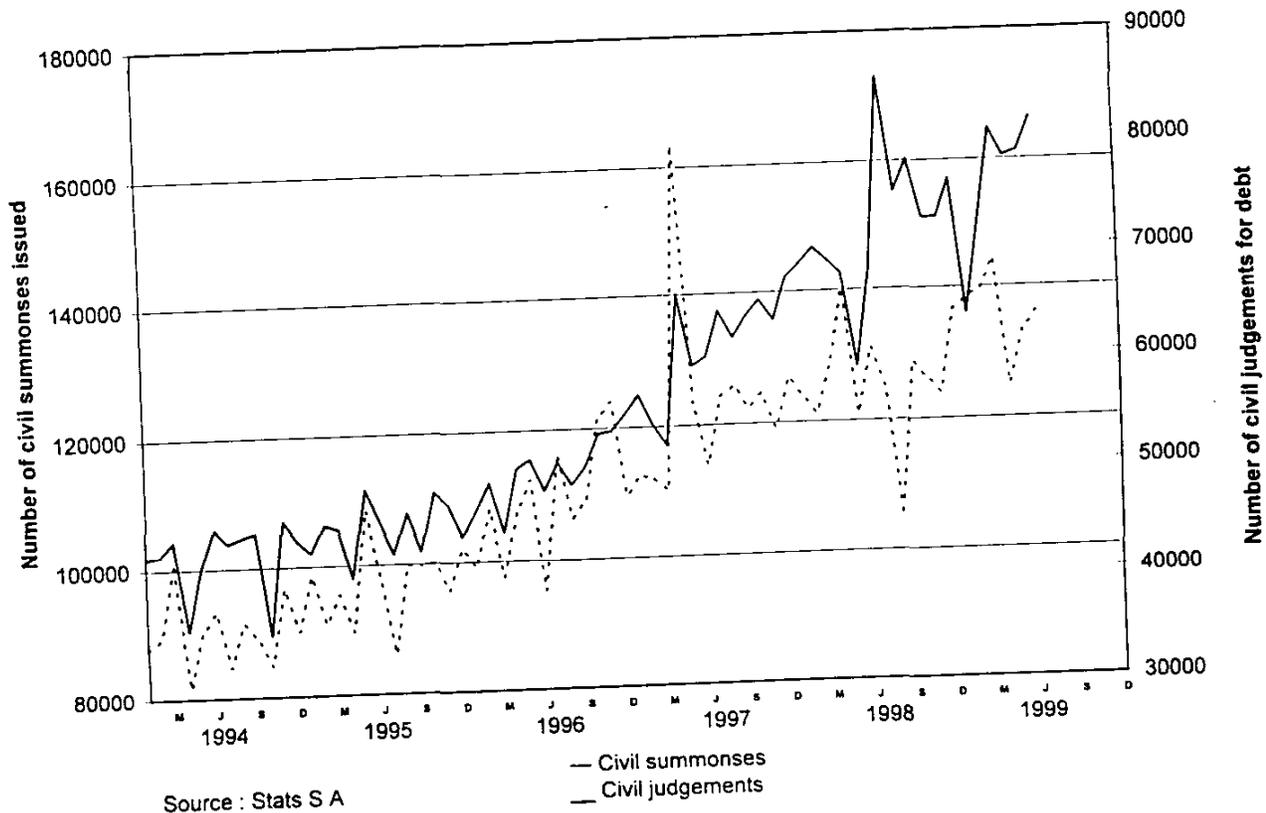

The total number of civil summonses for debt recorded for the second quarter of 1999 increased by 0,9% (from 401 333 to 405 091) compared with the corresponding period of 1998. However, the total number of civil summonses for debt recorded for the second quarter of 1999, after seasonal adjustment, is 6,7% lower than the previous quarter.

The total number of civil judgements for debt recorded for the second quarter of 1999 increased by 22,9% from 191 639 to 235 457 compared with the corresponding period of 1998. Furthermore, the total number of civil judgements for debt recorded for the second quarter of 1999, after seasonal adjustment, is 10,3% higher than the preceding quarter.

The largest contributors to the 0,9% increase in civil summonses for debt were summonses relating to money lent (+19,8%) and goods sold on open account (+7,5%). During June 1999, 29,7% or 43 085 of the total summonses issued were for civil summonses relating to "other services" and 19,2% or 27 840 were in respect of money lent.

During June 1999, 79 258 civil judgements for debt were issued amounting to R838,4 million. The major contributors to the R838,4 million were civil judgements relating to money lent (33,0% or R277,0 million), followed by civil judgements in respect of services (10,1% or R84,9 million) and goods sold on open account (6,3% or R52,9 million).

## EXPLANATORY NOTES

### 1. General

The particulars in this publication refer to all civil cases for debt recorded by Magistrates' Offices.

Except for cases recorded, all other information relates to debt cases only, i.e. claims for damages, ejectment orders and other non-debt cases are excluded.

Default and consent judgements relate to judgements given in respect of undefended debt cases only.

### 2. Comparability

The jurisdiction limit for civil cases handled by Magistrates' Offices (R20 000 for liquid assets and R50 000 for non-liquid assets) was increased to R100 000 as from 1 May 1995. A comparison with the period prior to May 1995 must thus be handled with circumspection.

### 3. Small claims courts

Statistics in respect of small claims courts are updated annually.

## NOTES REGARDING SMALL CLAIMS COURTS

### 1. General

Small claims courts serve as a forum for the adjudication of money claims against individuals or firms. It is for use by the general public only and not for business enterprises.

Up to 30 September 1995 the following actions were excluded from the jurisdiction of small claims courts:

- claims exceeding R2 000 in value;
- claims against the state;
- claims based on cession or the transfer of rights;
- claims for damages in respect of defamation, malicious prosecution, wrongful imprisonment, wrongful arrest, seduction and breach of promise to marry;
- claims for the dissolution of a marriage;
- claims concerning the validity of a will;
- claims concerning the status of a person in respect of his mental capacity; and
- claims in which the performance in accordance with a contract is sought, without an alternative claim for payment of damages, except in the case of a claim for rendering an account or transferring movable or immovable property not exceeding R2 000 in value.

As from 1 October 1995 the jurisdiction limit of R2 000 was raised to R3 000.

### 2. Comparability

The information in respect of magistrates' courts shown in this statistical release refers to debt cases only and is therefore not strictly comparable with the information shown for the small claims courts.

### 3. Concepts

- o "Courts" relate to the total number of small claims courts at the end of the months as indicated.
- o "Litigants referred" relates to the number of persons (plaintiffs) referred to legal assistants by clerks of the small claims court.

**TABLE 4 - NUMBER OF SMALL CLAIMS COURTS, LITIGANTS REFERRED, SUMMONSES ISSUED AND HEARINGS**
