| Purpose of the survey | The Survey of Liquidations and Insolvencies is a monthly survey covering all liquidations and insolvencies in South Africa (SA). Information on liquidations is obtained from the Registrar of Companies and Close Corporations, Department of Trade and Industry, while information on insolvencies is based on Notices of the Master of the Supreme Court which appears in the Government Gazette. The results of this survey are used by the private and public sectors to measure economic performance and are also an important indicator of the scope of unpaid debt in South Africa. | |

Stats SA publishes approximately 300 different statistical releases each year. It is not economically viable to produce them in more than one of South Africa's eleven official languages. Since the releases are used extensively, not only locally but also by international economic and social-scientific communities, Stats SA releases are published in English only.

Stats SA has copyright on this publication. Users may apply the information as they wish, provided that they acknowledge Stats SA as the source of the basic data wherever they process, apply, utilise, publish or distribute the data; and also that they specify that the relevant application and analysis (where applicable) result from their own processing of the data.
