STATISTIEKE VAN LIKWIDASIES EN INSOLVENSIES: DESEMBER 1985
STATISTICS OF LIQUIDATIONS AND INSOLVENCIES: DECEMBER 1985

1. OPSOMMING

Die totale getal likwidasies vir 1985 het met 14,4% toegeneem vergeleke met 1984. Dit is egter interessant om op te merk dat daar gedurende hierdie tydperk 'n wesenlike verandering in die samestelling van die getal likwidasies plaasgevind het. Die getal verpligte likwidasies het vanaf 1984 na 1985 meer as verdubbel terwyl die getal vrywillige likwidasies met 40,2% afgeneem het. Dit het meegebring dat die verhouding van verpligte tot vrywillige likwidasies van 1:2 in 1984 na 2:1 in 1985 verander het.

Alhoewel die getal insolvensies vir die jaar 1985 met 96,8% toegeneem het vergeleke met 1984, het die getal insolvensies vir die laaste kwartaal van 1985 met 7,1% afgeneem vergeleke met die vorige kwartaal.

1. SUMMARY

The total number of liquidations for 1985 increased by 14,4%, compared to 1984. It is interesting to note that during this period, a substantial change occurred in the composition of the number of liquidations. The number of compulsory liquidations more than doubled from 1984 to 1985, whereas the number of voluntary liquidations decreased by 40,2%. This resulted in a change in the ratio of compulsory to voluntary liquidations, from 1:2 in 1984 to 2:1 in 1985.

Although the number of insolvencies for the year 1985 increased by 96,8% compared to 1984, the number of insolvencies for the last quarter of 1985 decreased by 7,1% compared to the previous quarter.

2. ALGEMEEN

Die gegewens vir likwidasies het betrekking op die totale getal maatskappye en beslote korporasies wat finaal gelikwideer is. Hierdie gegewens word verkry vanaf die Registrateur van Maatskappye en die Registrateur van Beslote Korporasies.

Die syfers vir insolvensies is gebaseer op gegewens verkry uit die Meesters se Kennisgewings wat gereeld in die Staatskoerant verskyn en verwys na insolvensies ingevolge die Insolvensiewet, No. 24 van 1936. Insolvensies het slegs betrekking op private persone en vennootskappe wat finaal gesekwestreer is; dit verteenwoordig nie die getal persone betrokke nie, aangesien 'n vennootskap as een insolvensie gereken word, ongeag die getal vennote.

2. GENERAL

The figures for liquidations relate to the total number of companies and close corporations which are placed under final liquidation. This information is obtained from the Registrar of Companies and the Registrar of Close Corporations.

The figures for insolvencies are based on information extracted from the Masters' Notices published currently in the Government Gazette and refer to insolvencies under the Insolvency Act, No. 24 of 1936. Insolvencies relate to private persons and partnerships which are placed under final sequestration; they do not represent the number of persons involved, as a partnership is counted as one insolvency irrespective of the number of partners.

1/ Weens verskerpte kontrole sedert Oktober 1985 deur die Registrateurs van Maatskappye en Beslote Korporasies ten opsigte van die akkuraatheid van die name van maatskappye wat deur 'n hofbevel gelikwideer word, sal sommige likwidasies nie getoon word in die maand waarin dit plaasgevind het nie, maar wanneer die gewysigde hofbevel ontvang word.

1/ As a result of more intense control by the Registrars of Companies and Close Corporations since October 1985 on the accuracy of the names of the companies, which were liquidated by court order, some of the *liquidations* will *not* be *shown* in the month in which they took place but, when the revised court order has been received.
