STATISTIEKE VAN LIKWIDASIES EN INSOLVENSIES: FEBRUARIE 1986
STATISTICS OF LIQUIDATIONS AND INSOLVENCIES: FEBRUARY 1986

1. OPSOMMING

1. SUMMARY

Die totale getal likwidasies vir Februarie 1986 toon 'n matige daling van 6,3%, vergeleke met Januarie 1986. Dit is hoofsaaklik te danke aan 'n merkbare daling van 14,6% in vrywillige likwidasies terwyl die getal verpligte likwidasies konstant gebly het.

The total number of liquidations for February 1986 shows a moderate decrease of 6,3% compared to January 1986. This was mainly due to a marked decrease of 14,6% in voluntary liquidations, whereas the number of compulsory liquidations remained constant.

Die totale getal insolvensies het in 'n geringe mate met 1% toegeneem van Januarie 1986 na Februarie 1986, vergeleke met 'n aansienlike styging van 58,4% vanaf Februarie 1985 tot Februarie 1986.

The total number of insolvencies increased slightly by 1% from January 1986 to February 1986, compared to a considerable increase of 58,4% from February 1985 to February 1986.

2. OPMERKINGS

2. NOTES

Die gegewens vir likwidasies het betrekking op die totale getal maatskappye en beslote korporasies wat finaal gelikwideer is. Hierdie gegewens word verkry vanaf die Registrateur van Maatskappye en die Registrateur van Beslote Korporasies.

The figures for liquidations relate to the total number of companies and close corporations which are placed under final liquidation. This information is obtained from the Registrar of Companies and the Registrar of Close Corporations.

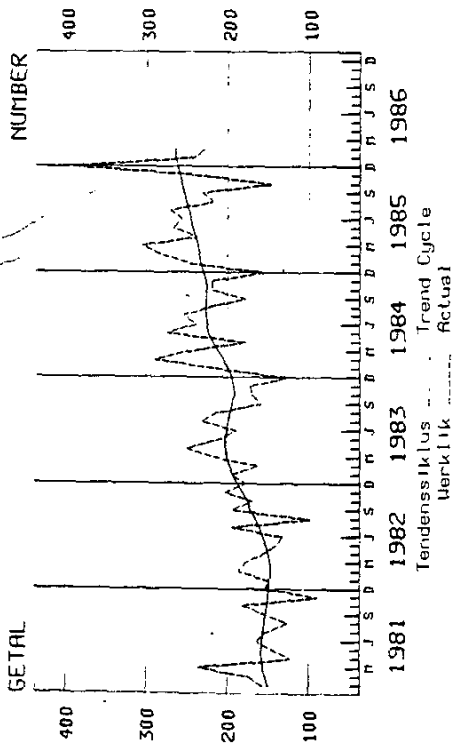

Die syfers vir insolvensies is gebaseer op gegewens verkry uit die Meesters se Kennisgewings wat gereeld in die Staatskoerant verskyn en verwys na insolvensies ingevolge die Insolvensiewet, No. 24 van 1936. Insolvensies het slegs betrekking op private persone en vennootskappe wat finaal gesekwestreer is; dit verteenwoordig nie die getal persone betrokke nie, aangesien 'n vennootskap as een insolvensie gereken word, ongeag die getal vennote.

The figures for insolvencies are based on information extracted from the Masters' Notices published currently in the Government Gazette and refer to insolvencies under the Insolvency Act, No. 24 of 1936. Insolvencies relate to private persons and partnerships which are placed under final sequestration; they do not represent the number of persons involved, as a partnership is counted as one insolvency irrespective of the number of partners.

As a result of more intense control by the Registrars of Companies and Close Corporations since October 1985 on the accuracy of the names of the companies, which were liquidated by court order, some of the liquidations will not be shown in the month in which they took place but, when the revised court order has been received.
