|-------------------------------|---|
| Compulsory liquidation | A compulsory liquidation takes place when the affairs of a company or close corporation are wound up by order of the court. |
| Insolvency | Insolvency refers to an individual or partnership which is unable to pay its debt and is placed under final sequestration. The number of insolvencies does not refer to the number of persons involved, as a partnership which is unable to pay its debt is regarded as one insolvency, irrespective of the number of partners. |
| Liquidation | Liquidation refers to the winding-up of the affairs of a company or close corporation when liabilities exceed assets and it can be resolved by voluntary action or by an order of the court. |
| Voluntary liquidation | A voluntary liquidation takes place when a company or close corporation, by own choice, resolves to wind-up its affairs. |

General information
