Key findings

Headline consumer price index (CPI) for all urban areas

Annual consumer price inflation was 5,1% in June 2024, down from 5,2% in May 2024. The CPI increased by 0,1% month-on-month in June 2024.

The main contributors to the 5,1% annual inflation rate were:

- housing and utilities (increased by 5,5% year-on-year and contributed 1,3 percentage points);
- miscellaneous goods and services (increased by 7,0% year-on-year and contributed 1,0 percentage point);
- food and non-alcoholic beverages (increased by 4,6% year-on-year and contributed 0,9 of a percentage point); and
- transport (increased by 5,5% year-on-year and contributed 0,8 of a percentage point).

In June 2024, the annual inflation rate of:

- goods was 5,5%, down from 5,7% in May 2024; and
- services was 4,6%, down from 4,7% in May 2024.

Note: Not all items in the CPI are surveyed every month. Table F shows the survey schedule for items that are not surveyed monthly. Additional surveys are conducted for these items when Statistics South Africa (Stats SA) is aware of significant price changes outside regular survey months.

Risenga Maluleke
Statistician-General

Important notes**Update of the CPI basket and weights**

Stats SA will update the CPI basket of goods and services and respective weights in the January 2025 CPI release. This update will mainly be based on the results of the income and expenditure survey which completed fieldwork in November 2023.

Detailed results

Table A – Consumer price index: Main indices¹

Table F – Survey schedule for non-monthly surveys

Quarterly	
January, April, July and October	Gymnasium fees (recreation and culture) Funeral expenses, funeral policies, gravestone Maintenance (miscellaneous)
February, May, August and November	Private-sector hospitals (health) Rugby tickets (recreation and culture) Cricket tickets (recreation and culture) Soccer tickets (recreation and culture)
March, June, September and December	Actual rentals for housing, owners' equivalent rent (housing and utilities) Domestic workers' wages (household contents and services) Taxi fares, train fares (transport) Motor vehicle insurance (miscellaneous)
Biannual	
January and July	Building insurance, household content insurance (miscellaneous)
April and October	Television licences (recreation and culture)
May and November	Electricians, plumbers (housing and utilities)
July and August	Municipal charges for water, property rates and electricity (housing and utilities)
Annual	
January	Post box rental (communication) Lotto tickets (recreation and culture)
February	Private-sector doctors and dentists (health) Medical aid (miscellaneous)
March	School and university tuition fees (education) Toll fees (transport) University boarding fees (restaurants and hotels) Crèche fees (miscellaneous)
April	Public-sector hospitals and doctors (health)
Other	
January, March, April, June, July, September, October and December	Local bus fares (transport)

Additional surveys are conducted for these items when Stats SA is aware of significant price changes outside regular survey months.

Glossary¹

Annual inflation rate / inflation rate	The annual inflation rate is the change in the index of the relevant month of the current year compared with the index of the same month in the previous year expressed as a percentage. The inflation rate is the annual change in the CPI index for all items.
Annual percentage change	The annual percentage change is the change in the index of the relevant month of the current year compared with the index of the same month in the previous year expressed as a percentage.
Average annual inflation rate	The average annual inflation rate is the change in the average index of one year compared with the average index of the previous year expressed as a percentage.
Average annual percentage change	The average annual percentage change is the change in the average index of one year compared with the average index of the previous year expressed as a percentage.
CPI for administered prices	An administered price is defined as the price of a product which is set consciously by an individual producer or group of producers and/or any price which can be determined or influenced by government, either directly or through a government agency/institution without reference to market forces. Products and services included are assessment rates, water, electricity, paraffin, petrol, diesel, public transport – trains, motor licences, motor registration, telephone fees, cell phone fees, television licence, school fees, university/technicons/colleges and university boarding fees.
CPI for regulated prices	Regulated prices are administered prices that are monitored and controlled by government policy. To this end, price regulation does not necessarily imply the presence of an economic regulator, but the restriction on the extent to which prices may vary, depending on government's policy objective. Products and services included are water, electricity, paraffin, petrol, diesel, telephone fees and cell phone fees.
CPI per expenditure decile	Decile 1 – up to R20 140 Decile 2 – R20 141 up to R33 619 Decile 3 – R33 620 up to R48 673 Decile 4 – R48 674 up to R65 213 Decile 5 – R65 214 up to R84 698 Decile 6 – R84 699 up to R109 163 Decile 7 – R109 164 up to R143 174 Decile 8 – R143 175 up to R199 920 Decile 9 – R199 921 up to R312 246 Decile 10 – R312 247 and more
Monthly percentage change	The monthly percentage change is the change in the index of the relevant month compared with the index of the previous month expressed as a percentage.
Respondent response rate	The respondent response rate for June 2024 was 98,6%. The rate was calculated by means of the total number of outlets where prices were collected as a percentage of the total sample.
Rural CPI	The rural CPI is compiled using data from rural and urban areas in accordance with the purchasing patterns of rural residents.

¹ A complete set of definitions is available in the sources and methods document on the Stats SA website http://www.statssa.gov.za/?page_id=2528.

General information

Stats SA publishes approximately 300 different statistical releases each year. It is not economically viable to produce them in more than one of South Africa's 12 official languages. Since the releases are used extensively locally and by international economic and social-scientific communities, Stats SA releases are published in English only.

Stats SA has copyright on this publication. Users may apply the information as they wish, provided that they acknowledge Stats SA as the source of the basic data wherever they process, apply, utilise, publish or distribute the data; and also that they specify that the relevant application and analysis (where applicable) result from their own processing of the data.

Advance release calendar

An advance release calendar is disseminated on www.statssa.gov.za.

Forthcoming issues

Issue	Expected release date
July 2024	21 August 2024
August 2024	18 September 2024
