## Groothandelverkope

April 1995

## Wholesale trade sales

April 1995

Statistiese vrystelling P6141.2  
Statistical release

Om 'n suksesvolle statistiese stelsel in die RSA te bedryf, is die samewerking tussen die Sentrale Statistiekdienis en die inwoners van die RSA, die private sektor en die owerheidsinstellings onontbeerlik. Sonder hierdie volgehoue samewerking en welwillendheid sal die tydige beskikbaarstelling van relevante en betroubare amptelike statistieke nie moontlik wees nie.

Co-operation between the Central Statistical Service and the residents of the RSA, the private sector and the government institutions is essential for a successful statistical system in the RSA. Without this continued co-operation and goodwill, the timely release of relevant and reliable official statistics will not be possible.

## SKERP TOENAME IN GROOTHANDELVERKOPE DUUR STEEDS VOORT

*Die skerp toename in die seisoensaangepaste groothandelverkope sedert die begin van die jaar word voortgesit in die groothandelverkope vir April 1995. Daarbenewens het die seisoensaangepaste totale reële groothandelverkope (teen konstante 1990-pryse) die hoogstevlak ooit bereik.*

Die groothandelverkope (diamante uitgesluit) teen heersende pryse toon na seisoenaanpassing vir April 1995 'n toename van 1,4% vergeleke met Maart 1995, wat in reële terme 'n toename van 0,7% verteenwoordig.

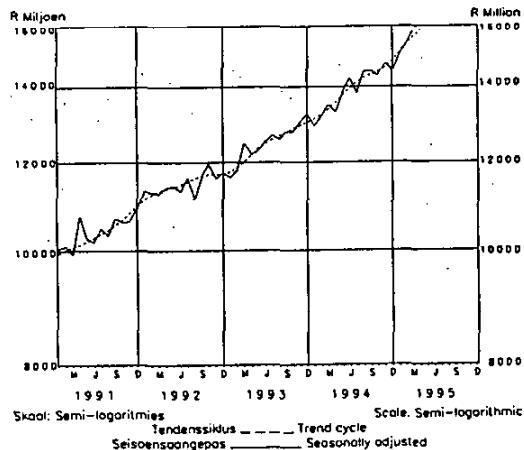

Die grootste reële toename na seisoenaanpassing het voorgekom by die verkope van groothandelaars in diverse goedere (3,7%), terwyl die verkope van groothandelaars in tekstiele, klerasie en skoeisel met 4,0% afgeneem het en dié van groothandelaars in voedsel, drank en tabak met 2,1% afgeneem het.

Die groothandelverkope (diamante uitgesluit) vir April 1995 is 1,1% laer as die verwagte verkope vir April 1995 soos deur die groothandelaars in die vooruitsig gestel\*.

In hierdie statistiese vrystelling het die gegewens vanaf Januarie 1995 betrekking op die groothandelverkope in die Republiek van Suid-Afrika, met inbegrip van die voormalige TBVC-state. Inligting tot die SSD se beskikking dui daarop dat die totale groothandelverkope van dié state vir Januarie 1995 ongeveer 0,4% van die totaal uitgemaak het. Vergelykings met die vorige maande moet dus met omsigtigheid hanteer word, aangesien die voormalige state voor Januarie 1995 uitgesluit is.

\* Soos gepubliseer in statistiese vrystelling P6141.1 van 5 Junie 1995.

GROOTHANDELVERKOPE  
UITGESONDERD DIAMANTE  
HEERSENDE PRYSE / CURRENT PRICES

## SHARP INCREASE IN WHOLESALE TRADE SALES STILL CONTINUES

*The sharp increase in the seasonally adjusted wholesale trade sales since the beginning of the year continues in the wholesale trade sales for April 1995. Besides this the seasonally adjusted total real wholesale trade sales (at constant 1990 prices) reached the highest level ever.*

The wholesale trade sales (excluding diamonds) at current prices for April 1995 shows an increase of 1,4% compared with March 1995 after seasonal adjustment, which represents an increase of 0,7% in real terms.

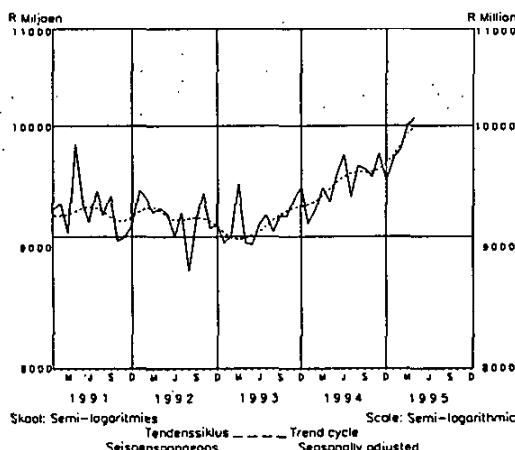

The largest real increase after seasonal adjustment occurred in respect of the sales of wholesalers in miscellaneous goods (3,7%), whereas the sales of wholesalers in textiles, clothing and footwear decreased by 4,0% and those of wholesalers in foodstuffs, beverages and tobacco decreased by 2,1%.

The wholesale trade sales (excluding diamonds) for April 1995 is 1,1% lower than the expected sales for April 1995 as foreseen by the wholesalers\*.

In this statistical release the data as from January 1995 relate to the wholesale trade sales in the Republic of South Africa, including the former TBVC states. Information available to the CSS indicates that the total wholesale trade sales of these states for January 1995 amounted to approximately 0,4% of the total. Comparisons with the previous months must thus be handled with circumspection, as the former states were excluded before January 1995.

\* As published in statistical release P6141.1 of 5 June 1995.

#### OPMERKINGS

Hierdie statistiese vrystelling toon finale rammings van die groothandelverkope in die Republiek van Suid-Afrika (die voormalige TBVC-state is voor Januarie 1995 uitgesluit). Die opname word op 'n firmabasis gedoen. Die resultate van die steekproefopname word verhef om die totale groothandelverkope te verteenwoordig. Beide die werklike en seisoensaangepaste waardes van groothandelverkope volgens soort besigheid teen heersende sowel as konstante 1990-pryse word getoon. Die waarde van verkope teen konstante 1990-pryse ten opsigte van elke soort besigheid is verkry deur die verkoopwaarde teen heersende prys met behulp van subindeks van die produksieprysindeks op basis 1990 = 100 te defleer.

Groothandelverkope teen heersende prys sluit BTW in.

'n Voorlopige raming van totale groothandelverkope word in statistiese vrystelling P6141.1 gepubliseer.

#### NOTES

This statistical release shows final estimates of the wholesale trade sales in the Republic of South Africa (the former TBVC states are excluded before January 1995). The survey is conducted on a firm basis. The results of the sample survey are raised to represent the total wholesale trade sales. Both actual and seasonally adjusted values of wholesale trade sales according to kind of business at current as well as constant 1990 prices are shown. The value of sales at constant 1990 prices in respect of each kind of business is obtained by deflating the sales value at current prices by means of sub-indices of the production price index on base 1990 = 100.

Wholesale trade sales at current prices include VAT.

A preliminary estimate of total wholesale trade sales is published in statistical release P6141.1.

\* Hersien

Die voormalige TBVC-state is vanaf die Januarie 1995-opname ingesluit. Inligting tot die SSD se beskikking dui daarop dat die totale groothandel-delverkoop van die state vir Januarie 1995 ongeveer 0,4% van die totale uitgemaak het.

\* Revised

The former TBVC states are included as from the January 1995 survey. Information available to the CSS indicates that the total wholesale trade sales of these states for January 1995 amounted to approximately 0,4% of the total.
