Statistical release P6141.2

Om 'n suksesvolle statistiese stelsel in die RSA te bedryf, is die samewerking tussen die Sentrale Statistiekdiens en die inwoners van die RSA, die private sektor en die owerheidsinstellings onontbeerlik. Sonder hierdie volgehoue samewerking en welwillendheid sal die tydige beskikbaarstelling van relevante en betroubare amptelike statistieke nie moontlik wees nie.

Co-operation between the Central Statistical Service and the residents of the RSA, the private sector and the government institutions is essential for a successful statistical system in the RSA. Without this continued co-operation and goodwill, the timely release of relevant and reliable official statistics will not be possible.

#### NOTES

Hierdie statistiese vrystelling toon finale rammings van die groothandelverkope. Die opname word op 'n firmabasis gedoen. Die resultate van die steekproefopname word verhef om die totale groothandelverkope te verteenwoordig. Beide die werklike en seisoensaangepaste waardes van groothandelverkope volgens soort besigheid teen heersende sowel as konstante 1990-pryse word getoon. Die waarde van verkope teen konstante 1990-pryse ten opsigte van elke soort besigheid is verkry deur die verkooptaarde teen heersende pryse met behulp van sub-indekse van die Produksieprysindeks op basis 1990 = 100 te defleer.

Groothandelverkope teen heersende pryse sluit BTW in.

'n Voorlopige raming van totale groothandelverkope word in Statistiese Vrystelling P6141.1 gepubliseer.

This statistical release shows final estimates of the wholesale trade sales. The survey is conducted on a firm basis. The results of the sample survey are raised to represent the total wholesale trade sales. Both actual and seasonally adjusted values of wholesale trade sales according to kind of business at current as well as constant 1990 prices are shown. The value of sales at constant 1990 prices in respect of each kind of business is obtained by deflating the sales value at current prices by means of sub-indices of the Production Price Index on base 1990 = 100.

Wholesale trade sales at current prices include VAT.

A preliminary estimate of total wholesale trade sales is published in Statistical Release P6141.1.
