A REPORT ON THE 1995 CENSUS OF ELECTRICITY, GAS AND STEAM NOW OUT

A detailed account of the results of the 1995 Census of Electricity, Gas and Steam relating to the production and distribution of electricity in South Africa has just been released.

Information given in the report only covers the production and distribution of electricity by private undertakings (including Eskom) as well as local authorities and other government institutions within the Republic of South Africa. Details on the production and distribution of gas were excluded due to the small number of establishments involved.
